HAZING

The Board of Education prohibits hazing or the threat of hazing activities by a student or a group of students against other student personnel.

The Board of Education considers hazing as, among other things, any willful act done by a student, whether individually or in concert with others, to another student which subjects such student to humiliation, intimidation, physical abuse or threats of abuse, social or other ostracism, shame, disgrace or endangers the physical health or safety of such student.

Any student who violates this policy will, by such action, immediately be subject to discipline, including possible expulsion, and local police authorities may be notified.

Copies of this policy will be provided to all parents and students annually.
