Students shall be assigned to specific classes and teachers by the building administrator in a manner which will yield maximum benefit to the student and provide the most favorable academic atmosphere for the class.

With an understanding of and allowance for specific instructional goals in certain classes, it is the intent of this district to have all classes reflect heterogeneous grouping of students.

When assigning students to classes, it is the policy of the Deerfield School District not to discriminate against pupils on the basis of sex, race, religion, national origin, ancestry, creed, pregnancy, marital or parental status, sexual orientation, or physical, mental, emotional, or learning disability or handicap in its educational programs or activities.

**Scheduling for Instruction**

It is the responsibility of each principal to see that a satisfactory instructional program is scheduled for each pupil in his or her building. This schedule should provide for the best use of the pupil's time in relationship to their goals, within the framework of practicable school operation.
