**TOBACCO USE & POSSESSION BY STUDENTS**

Smoking, use of spit tobacco, and/or the conspicuous possession of tobacco products is not permitted at any school functions or on school property at any time for any reason.

Professional personnel will provide intensive programs of education designed to fully inform students about the hazards of tobacco.

Any violation of this policy will result in the notification of the parents and law enforcement and will result in a code violation when the student is involved in athletic/extra curricular activities.
