

EARLY RELEASE SESSIONS – 2023-24

This month has a range of meetings taking place so please read through the list carefully to see where you might be assigned. If you do not have any meetings, please use the time to reach out to students and parents that may need direct contact about student grades or work on curriculum planning. As always, I am grateful for the board and community support of this meeting time.

| December 13 | Activity | Who | Location | Facilitator(s) |
