

Where in the World is a DHS Graduate?

Deerfield Schools is embarking on a new adventure and we would like your help. In an effort to show our current high school students all the possibilities for their future we would like to showcase former Deerfield High School graduates on a world map answering the question “Where in the World is a DHS Graduate?” This map will be displayed in the high school commons area for students, staff and community members to see. We will also ask The Independent, our weekly newspaper, to feature some of the graduates as well. We believe this is great news to share with our students and community.

We would ask that you take a few minutes to answer the questions below. You can mail this document back to the school district to Attn: Michelle Jensen 300 Simonson Blvd, Deerfield, WI 53531 or you can send via email to Darcy Julseth at dhsgradfinder@gmail.com.

Thank you in advance for your consideration of assisting us with this project. We look forward to hearing from you.
