

January 27, 2025

Class of 2025 Student and Parent(s)/Guardian(s),

Congratulations on almost making it through the senior year! Here is a list of local scholarships being offered this year. It is expected that students use the online application and recommendation sheets available on the HS Guidance scholarship webpage as they are fillable forms. It is a good idea to print out the application first and complete it as a reference when typing in your information as you will not be able to save the on-line fillable form and return to it at a later time. All students are encouraged to apply for these scholarships.

It is very important to put time and thought into completing the general scholarship application. Application and letter of recommendation sheets **are available online** (as of 02/03/2025) under the Deerfield Guidance Local Scholarship Information link. Students should complete an application for **each** scholarship they are applying for, include an activity sheet listing all activities on the application itself (scholarship review committees have requested that you list activities/volunteer participation in hours/year and how many weeks you are involved). Students may attach an additional sheet to application listing any activities that do not fit on the initial application. There is also a letter of recommendation sheet included to use when asking for letters of recommendation.

2025 Scholarships – Descriptions and Requirements will be available on the HS Guidance webpage on February 3, 2025
