

Citizens Advisory Committee Meeting  
June 5, 2024  
5:30 p.m., Sewing Room

Attendees: See Attendance Sheet

**Agenda:**

1. **Check for Understanding and Questions:** No questions from committee members.
2. **Review Draft of Community Survey:** The survey draft was discussed, suggested changes were noted, consensus was received from committee members that survey reflects the feedback they would like to receive from the community. Next steps will include a follow up meeting with School Perceptions regarding the suggested changes, an updated survey draft will be shared with the school board at their committee meeting on June 10 and sent to the CAC. Survey is scheduled to be printed and mailed to households within two weeks. Bill Foster will provide a survey response analysis at the end of July to the CAC, board and public. The CAC will meet on a date to be determined after the survey results presentation. The purpose of this final meeting is to summarize the results with a recommendation to the school board. The CAC recommendation will be given to the school board at the August 5 meeting.
