**FIELD TRIPS**  
**(Not Extended Trips)**

The Board of Education (BOE) encourages school-sponsored trips to parks, museums, institutions, and other points of interest within the district. It also believes that field trips to more distant locations can be an important part of a student's educational experience.

Therefore, field trips may be approved by the administration if they contribute to the total educational program.

The Deerfield School District does not discriminate against pupils on the basis of sex, race, religion, national origin, ancestry, creed, pregnancy, marital or parental status, sexual orientation, or physical, mental emotional, or learning disability or handicap in its educational programs or activities.
