CONTESTS FOR STUDENTS

The Board of Education believes the primary educational aims of the schools and the needs and interests of their students must be the most important consideration at all times. It shall therefore be a general policy to deny promotional aid, school time, or faculty assistance to pupil contests, involving essay writing, poster-making, or other activities, sponsored by organizations outside the school, without administration approval.

Contests or projects, in general should not interfere with the operation of the regular course of study in classes, or require a teacher to sacrifice much time from the regularly planned program for students.
