We are thrilled to offer a variety of engaging classes this summer for children in grades 5K through 8th! We also have a dedicated Kindergarten Camp available for our 4K students. Please remember to register your child at their current grade level. Grades 5K-8 students may select up to four classes per session. Don't wait—the last day to sign up is Friday, May 29!

All registration will be done online using Skyward via the school website at www.deerfield.k12.wi.us (beginning May 4). Please be careful entering your student's information so we have correct date (name, grade, class choices, etc.)

Parents enrolling students in Summer School classes can begin to register starting May 4 at 5:00 pm. Parents can register online from your own home computer. We do not recommend using a cell phone for this process. You can also access the website through Deerfield Public Library computers.
