## **Volunteers Wanted at DES**

Deerfield Elementary School is looking for volunteers to work with students for the 2017-18 school year. Our program goal is to help students who would benefit from one-on-one support to help with a variety of skills, but mainly in reading and math. Anyone interested in the rewarding work of helping children is a potential volunteer. Materials and tasks are designed to be simple and straightforward to administer. No prior teaching experience is necessary.

A background check is required and will need to be processed and approved prior to volunteering. If interested please contact the DES office at 608-764-5442. We will partner volunteers with a classroom/student according to the days/times that fit best for both parties.
