

Deerfield Community School District

300 Simsonson Blvd, Deerfield, WI 53531

Dear Parents,

We need your help! The school district would like to expand our **future** student database to include ALL Deerfield children BIRTH to PRE-4K. Having a better database of information will help us plan for future enrollment, plan early childhood services and programs and provide opportunities to parents and childcare providers to build a stronger school-to-home connection in the early years.

If you have a child(ren) in your house that is not enrolled in school in the BIRTH TO PRE-4K age group, please fill out the information below. You can return this form to your child's teacher or the elementary office.

If you know of other young families in your neighborhood that do not have any school age children at this time, please encourage them to visit the website to print out this form and return to school. Thank you for your help with this effort.
