Did You Know?

Deerfield High School was built in 1889, two years before the Village of Deerfield became incorporated. There were eighteen (18) students in the high school at that time.

The first graduating class of three students was celebrated in 1894. Those students were Lewis Bricton, Scott De Lay and John Rodby. The graduation ceremonies were held at the Deerfield Opera House in the early years.

In January 1967, the current high school building opened after a two day moving effort by the students and staff. The current high school houses grades 7-12 in the same location at the top of Simonson Boulevard.

The new elementary school located on Quarry Street opened in the fall of 2004 and houses early childhood to sixth grade.

Through the Years

The Deerfield Community School District was comprised of many one-room school houses. Slowly, the district began consolidating the rural schools into the schools located in the village.

Brighter Tomorrow

About the Foundation

In 2007, Mary Borgerud, Lois Anderson and Tim Mickelson started the Borgerud, Mickelson and Anderson (BMA) Scholarship Fund to help graduating Deerfield High School seniors pursue post-secondary educational opportunities.

They named the fund after Keith Borgerud, Jerome (Totsy) Mickelson and Leonard Anderson, long time Deerfield residents who served their country in WW II and returned to work and establish businesses in Deerfield.

During their years in business, they actively supported the community through volunteer events and financial support.

The goal was to establish a fund, in their names, that would grow through donations and the professional management of the Greater Milwaukee Foundation.

In 2014, the foundation was renamed the Deerfield Education Foundation Scholarship Fund with a focus on building the fund through Deerfield resident and alumni donations.

How Can You Give?

Please consider making a tax-deductible donation in one of these easy ways:

- ◆ Use the attached form on this brochure to send a cash or check.
- ◆ Visit the Alumni page on the Deerfield School District website at www.deerfield.k12.us/alumni.cfm to link to the DEF webpage.
- ◆ Bequest through wills, memorials, stocks or securities by contacting the Greater Milwaukee Foundation at 414.336.7063.

How Does Your Gift Help?

Large endowment funds are built over time so EVERY donation, no matter how big or small, moves the fund closer to its long-term goal of providing scholarships many years into the future.

The Deerfield Education Foundation Scholarship Fund has now reached \$40,000. The fund currently awards two scholarships each year to graduating seniors averaging \$650 each. These awards could increase in size and/or number with additional contributions to the fund.

To date, sixteen (16) scholarships have been awarded to Deerfield graduates. Your financial investment helps us build a brighter tomorrow for future generations of Deerfield graduates.
