Chapter 6 – Emergence of Homo Sapiens...

Chapter 6 Questions 2

1) What characterizes the Mousterian stone tool tradition? How does it differ from the Acheulean and Oldowan tradition?

2) What is the blade technique of tool making? How does it differ from earlier forms of tool making? What inferences can be made about cognitive or cultural differences between individuals making blade tools and earlier toolmakers?

3) Compare indirect percussion flaking to pressure flaking.
